

MorClick Satellite Internet, in partnership with YahClick (powered by Hughes), turns your home into a hub of connectivity for the whole family – no matter where you live!

Our refreshing new capped solutions offer your family all the advantages that reliable, high-capacity Internet has to offer – e-learning, online banking & shopping, entertainment, and staying connected to family & friends all over the world. The opportunities are endless!

So whether you are searching for a job, looking for love, streaming music, and movies, watching your favourite sport, or looking to optimise your home automation and security - MorClick has a package to suit everyone under your roof.

KEY BENEFITS AND APPLICATIONS

- Cost-effective, fast, and reliable connection
- Internet browsing, e-mail, and social media
- Wide-reaching coverage
- Products in varying speeds designed to suit your family needs
- Support multiple user sessions i.e. while one family member watches the rugby – other family members can still surf the net, check Pinterest or search for a nice recipe to make for supper
- Optimised to mitigate and limit weather fluctuations
- Local service and support

Installation is quick, free* and easy. We cover all the standard equipment costs, including modem and satellite dish when you subscribe with us.

**Travel costs may apply.*

WHO IS MORCLICK?

MorClick Satellite Internet Solutions is a South African Telecommunications Company, in partnership with YahClick (powered by Hughes), that offers cutting-edge broadband satellite services in South Africa. Our differentiator is that we that deliver reliable, high-speed Internet connectivity to businesses and homes - partnering with your community to instantly connect you to the Internet via a small satellite dish and modem - from even the remotest places in South Africa.

MorClick offers different package options to suit your budget and needs.

FREQUENTLY ASKED QUESTIONS

WHAT IS FREE ZONE ON THE CAPPED PLANS?

Free Zone is from midnight to 6 am. During this time, you have free access to data - according to the plan you are on. In other words, if you are on our Capped package 50GB plan - you will receive an additional 200GB FREE during our Free Zone - the ideal time to perform high volume work such as downloading larger files and performing those necessary data hungry updates, etc.

CAPPED PLAN	FUP	FREE ZONE BONUS GB	BONUS TIME	TOP UP TOKEN GB
50GB	256 kbps	200GB	Midnight to 06:00 am	5
75GB	256 kbps	300GB	Midnight to 06:00 am	7.5
100GB	256 kbps	400GB	Midnight to 06:00 am	10
200GB	512 kbps	800GB	Midnight to 06:00 am	20

HOW WILL VOLUME USAGE BE CALCULATED ON THE MORCLICK CAPPED PACKAGES?

Both your downloaded and uploaded bytes count towards your volume usage.

WHAT SPEEDS CAN I ACHIEVE "UP TO" ON A MORCLICK CAPPED PACKAGE?

All our Capped Packages deliver 20 Mbps downlink & 3 Mbps uplink.

CAN I CHECK MY DATA USAGE ON MY CAPPED PACKAGE?

Yes. Once you become a customer, you will get customer portal access with a username and password, enabling access to your data charts which will show you how much data you have used.
